Re:  Request for Certificate of Correction

Consideration has been given your request for the issuance of a
Certificate of Correction in the above-identified patent.

Respecting the alleged errors in "Reference Cited" U.S. Patent
Documents and Foreign Patent Documents would require
reexamination of the Application, (MPEP 1481).

Respecting the alleged error in the title, it is the practice
to exclude words such as "Improvements in", "New", "Improved"
"A", etc., from the printed patent.

In view of the foregoing, your request is hereby denied.
A Certificate of Correction will be issued to correct the
remaining errors in your request.
